

REPUBLIC OF MOZAMBIQUE

MINISTRY OF TRANSPORT AND LOGISTICS

MINISTER'S CABINET

TRANS-LOG MOZ: MINISTERIAL ENDORSEMENT LETTER

**Subject:** Inaugural Mozambique Transport and Logistics Investment Forum (TRANS-LOG MOZ) 2026

It is with great pleasure that I endorse and support the inaugural **Mozambique Transport and Logistics Investment Forum (TRANS-LOG MOZ)**, which will take place from 4<sup>th</sup>-5<sup>th</sup> of November 2026, at the Joaquim Chissano International Conference Centre in Maputo, Mozambique. This event is poised to be a strategic platform designed to promote investment, partnerships, and innovation across Mozambique's transport and logistics sectors.

TRANS-LOG MOZ will bring together senior government officials, policymakers, private sector executives, development finance institutions, regional and international stakeholders to deliberate on strategies for unlocking Mozambique's full potential as a regional trade and logistics hub.

Running under the theme, *"From Coast to Corridors: Investing in Mozambique as a Regional Trade Gateway and Transit Hub"*, the forum will highlight Mozambique's strategic corridors, ports, railways, road networks and Airports as vital links connecting local, regional and continental markets. It will also serve as a platform to present **bankable projects** and **public-private partnership opportunities** that advance the government's infrastructure modernisation agenda – including rail rehabilitation, coastal shipping promotion, intermodal integration, and the development of climate-resilient, low-carbon transport systems.

By convening key public and private sector actors, TRANS-LOG MOZ will strengthen the logistics ecosystem, stimulate investment in warehousing, digital logistics, and cold chain systems, and foster dialogue on sustainable and inclusive growth.

This initiative aligns with Mozambique's long-term vision to modernise infrastructure, enhance regional connectivity, and drive industrialisation and economic diversification.

We therefore extend a warm invitation to all stakeholders to participate in this important forum and contribute to building a resilient, efficient, and sustainable transport and logistics network that supports Mozambique's development ambitions.

We also look forward to welcoming you to our country and assuring you of the warm hospitality of our people during your stay.

Maputo, April 6 2026

The Minister

A handwritten signature in black ink, appearing to read 'J. Matlombe', is written over a faint circular watermark. The signature is stylized and includes a large initial 'J'.
